

HOW TO MAKE YOUR PLAYING MARKERS

1. Cut each marker along the outside edge (along dashed lines).
2. Fold in half and fold each base inward.
3. Use glue to secure both base together.

1. Cut out.

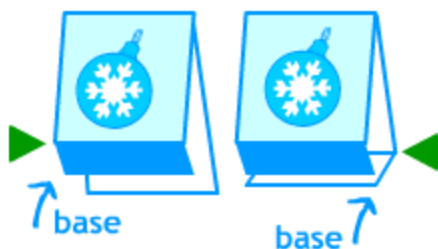

2. Fold.

A. Fold in half

B. Fold inward

3. Glue.

Your marker is ready!

Our markers are not mandatory for the games, but extra cute.

You are welcome to use buttons or pawns when playing the games. If you would like to give kids the fun of creating their own markers, you can use these templates.
